

## Dubai 17-Minute Helicopter Tour

### 0000000000

- Enjoy extended aerial views of Dubai including Palm Jumeirah, Burj Al Arab, and Burj Khalifa
- Fly over The World Islands and Dubai's coastline with a wider, more complete city perspective
- Experience a longer helicopter journey covering both historic and modern parts of Dubai

### 00000

This 17-minute helicopter tour offers a more immersive way to explore Dubai from above, combining the city's most iconic landmarks with a broader view of its coastline and historic districts. It's an ideal option for travelers who want more than a quick overview and prefer a more complete aerial experience.

The route begins over The Palm Jumeirah and Atlantis Hotel , followed by a flyover of the sail-shaped Burj Al Arab and the striking The World Islands . Continuing along Dubai's famous beach coastline , the tour then reaches the impressive Burj Khalifa , the centerpiece of the city skyline. The experience also includes views of Port Rashid , adding a glimpse of Dubai's maritime heritage to this well-balanced flight path.
