This special tour is designed for our guests who want to experience the captivating atmosphere of the Dubai desert in the most comfortable and exclusive way. It is offered with a dedicated 4x4 vehicle solely for your group, adhering completely to the standard safari program, and features premium seating arrangements at the campsite. The vehicle is exclusively yours – you can participate individually or with your family or friends (maximum 6 people). This package is ideal for guests with children and infants, and it is also a perfect choice for those seeking flexibility and top-tier service. Our Safari Tour Takes Place in 3 Stages. 1. Private Transfer and First Stop: ATV & Buggy Area You will be picked up from your hotel or specified location in a VIP 4x4 vehicle exclusively assigned to you. The first stop is the ATV & Buggy area located in the heart of the desert. Guests can rent ATVs here, while those who do not wish to ride can relax in the lounge areas, enjoy beverage stations, and spend some free time in the desert atmosphere to kick off the tour. 2. Dune Bashing & Sunset Break After the ATV break, we head deeper into the red sands. The dune bashing experience, conducted by experienced drivers, offers an unforgettable adventure that harmonizes with the desert's natural rhythm. A sunset break will be held on the high sand dunes, where sandboarding can be done, and plenty of photos can be taken against the unique scenery. 3. Premium Camping Experience Upon arrival at the campsite, our guests are welcomed in the premium seating area. Rapid service, spacious table arrangements, and a barbecue buffet meal are accompanied by traditional stage performances such as Tanoura dancing and fire shows. Classic desert activities such as camel rides, henna application, and shisha use in the common area will also complete your experience. At the end of the night, you will be comfortably returned to your hotel or specified address in your private vehicle.
