□□

In this special tour designed for our guests who prioritize comfort and flexibility, you experience the classic desert safari program with a 4x4 vehicle exclusively assigned to you. A maximum of 6 people can join per vehicle; you can choose to participate alone, as a couple, or as a group of 6. The fee is based on the vehicle, regardless of the number of participants. This program is particularly suitable for families with children and guests with small infants. No vehicle sharing will be done, and the break duration, driving pace, and the activity plan at the campsite will be shaped entirely according to your needs. An evening filled with experiences awaits you, including dune bashing on crimson sands, sandboarding, sunset photo breaks, and a buffet dinner accompanied by traditional dance performances at the campsite. Our Safari Tour is Organized in 3 Stages. 1. ATV & Buggy Point – First Stop, First Excitement The safari adventure begins with your pick-up from your accommodation in 4x4 vehicles. The first stop is the area where ATV and Buggy rides take place in the heart of the desert. If you have made prior reservations, you can directly proceed to the ride; otherwise, you can rent on-site to participate in the experience. This place is not just for riding; it also serves as a multifunctional rest area with small desert markets, traditional clothing, beverage stalls, and relaxation spaces. Guests who do not use ATVs can also spend time comfortably in this area. 2. Dune Bashing & Sunset – Action in the Heart of the Desert After the ATV break, the safari vehicles proceed deep into the red sands. The desert driving experience accompanied by experienced drivers on sand dunes offers an unforgettable experience with its dynamism, scenery, and atmosphere. A stop is made at a high sand dune to enjoy sandboarding while watching the sunset, with plenty of opportunities for photo-taking. 3. Camping Experience – A Traditional Finale with Dinner and Shows After dune bashing, we head to the campsite. A buffet dinner awaits you in one of the most hygienic and well-organized camps in Dubai. The stage performances include Tanoura dance, fire shows, and other local performances. Guests can also participate in traditional activities such as camel rides, henna application, and shisha. At the end of the evening, you will return to your vehicles and be taken back to your hotel, completing your tour.
