This morning tour, designed for our guests who want to start the day with the coolness and quietness of the desert, offers an adrenaline-filled experience in the Dubai desert. Starting in the morning, this tour is completed before noon and does not include food or entertainment programs at the campsite. In this version, 30 minutes of ATV riding is included in the tour package. It provides a short yet satisfying experience for guests who have a more intensive schedule or do not wish to participate in camping activities. Tour Program 1. ATV Ride – Direct Experience The tour begins early in the morning with the pick-up from your hotel in shared 4x4 vehicles for up to 6 guests. The first stop is the ATV area located in the middle of the desert. Since the ATV experience is included in this version, guests participate directly in the 30-minute ride. There are also smaller ATV options available for children. 2. Dune Bashing & Photo Break After the ATV ride, an exciting journey towards the red sands of the desert begins. During the Dune Bashing, conducted with experienced drivers, the vehicles make a spirited drive over the sand dunes. A stop is made on a sand dune to enjoy the view and take a break for sand surfing and photo opportunities.
